WHY JOIN US?

Innovation is a major challenge for the competitiveness of the economy and competitiveness clusters have been created to support it by building relationships between companies, research centers and academic organizations.

Created from the merger of Elastopôle and Plastipolis, Polymeris is the French competitiveness cluster for rubbers, plastics and composites, an inter-regional cluster with a national vocation and European ambition founded in 2020.

OUR SERVICE OFFER:

OPPORTUNITY ANALYSIS	R&D PROJECTS SETTING-UP AND LABELLING	R&D POST DIAGNOSTIC	EVALUATION OF INDUSTRIAL PROJECTS	VISIBILITY, EVENTS & NETWORKS
<p>Diagnosis Analyse report Recommandations</p>	<p>Partner search for consortium building Project evaluation for labelling by our Scientific Committee (contribution requested in the eventuality of funding) Standard project management</p>	<p>Diagnosis Analyse report Recommandations</p>	<p>Assessment by our industrial committee Label for innovative company by the clusters Recommandations Start-ups Program</p>	<p>Publication in the directory Participation in cluster events under member conditions Participation in one or more clubs Setting up qualified contacts/searching for skills Newsletter distribution Sponsoring</p>

Operating on the national territory, a multidisciplinary team of qualified professionals with scientific training is established as close as possible to you and your concerns on the following territories:

- Auvergne-Rhône-Alpes**
- Bourgogne-Franche-Comté**
- Centre-Val de Loire**
- Ile de France**
- Nouvelle-Aquitaine**
- Pays de la Loire**

The competitiveness cluster develops its actions thanks to the financial support of the State and territorial authorities.

SCALE OF CONTRIBUTIONS 2022

Membership is defined by calendar year, from January 1st to December 31st of each year.

The information in the following table is the basis to determine your membership fees.

2022 novelties:

Premium membership: Subscribing to a premium membership exempts the member from being subject to success fees on projects accredited by the cluster and financed during the current membership year.
